Article 32 – DISPUTES RESOLUTION COMMITTEE

This confirms the understanding reached today, March 5, 2009, in DRC Conference that in order to simplify and expedite the handling of issues before this committee, BLET will provide a written list of items naming the article number with a brief summary of the concerns for discussion prior to each scheduled DRC meeting. This must be accomplished at least two (2) weeks in advance of conference.

CSXT will acknowledge receipt of this information per SSA Article 32, B [2]. If the issues listed to the DRC per the understanding above are not resolved during a DRC meeting, the remaining provisions of SSA Article 32 will then become applicable.

Signed this date, March 6, 2009, at Jacksonville, Florida.
