Article 8 – EXPENSES AWAY FROM HOME

Agreed upon Interpretation of Article 8, EXPENSES AWAY FROM HOME, of CSXT Labor Agreement 1-023-07 as a result of discussions held in accordance with Article 32 of said agreement at Disputes Resolution Committee Meetings held in Jacksonville, Florida on April 1, 2009.

Pursuant to the understanding between the parties, the measurement period used to determine the COLA calculation for the January 1, 2009 meal adjustment was from January 1, 2008 through December 31, 2008. That measurement period did not result in any COLA increase therefore there will be no COLA adjustment to the meal allowance in 2009.

For years going forward, it is understood that the COLA referenced in Article 8(A) will be applied to the meal allowance on an annual basis. In order to make applicable COLA increases effective on January 1 of each year, the applicable COLA measurement period will run from November 1st through October 31st of each year with any resulting increase to be applicable on January 1st of the following year.

Signed this date, May 14, 2009 at Jacksonville, Florida.
