Article 82 – GUARANTEED EXTRA BOARDS

Agreed upon Interpretation of Article 82, GUARANTEED EXTRA BOARDS (paragraph A, 4), of CSXT Labor Agreement 1-023-07 as a result of discussions held in accordance with Article 32 of said agreement at Disputes Resolution Committee Meetings held in Jacksonville, Florida on May 14, 2009.

The parties have agreed that the intent of Article 82, paragraph A, (4) was to permit Engineers assigned to bi-weekly guaranteed extra boards to observe at least two rest days during a bi-weekly pay period. In that regard, if an Engineer is assigned to a bi-weekly guaranteed extra board and has not been able to observe two rest days during a bi-weekly pay period, he/she should contact CMC. Arrangements will be made to provide that Engineer with rest day(s) before the next Job Adjustment Day (JAD), if possible.

Signed this date, May 14, 2009, at Jacksonville, Florida.
